

With vast experience within the industry, Jonny is the recorded drummer on the theme tune for Amazon's *The Grand Tour* TV show. He has played for multi-platinum artists, recorded on top 40 UK albums, top 10 singles and has performed full UK arena tours. Jonny is able to perform a variety of styles either by reading music or playing by ear. This has involved working with; pop artists, studio sessions in both London and Los Angeles, touring a West End show, television performances (live and pre-recorded), live radio sessions, including *Sofa Sessions* with Jo Whiley (BBC Radio 2), festivals, touring, and music videos. Jonny is incredibly organised and focused and always prepared to better himself for the project and client.

Nationality - British
Height - 5ft 10"
